

2020-2021 Effective Use of Resources Treatment Policies		GM EUR Team Contacts	Tel	Email
Version	6.8	Funding applications / Process	0161 290 4901	gm.eur@nhs.net
List Last Updated	17 November 2020	Policy development	0161 290 4937	gm.policyfeedback@nhs.net

Funding Request Forms	Funding Approval Category	Approval Required	Notes
<a href="#">GM EUR Generic Funding Request Form</a> <b>NOTE: GM policies have specific funding request forms, please see the end column on the blue coloured rows below.</b>	Individual Funding Request (Exceptional Case) Approval (IFR)	Yes	A decision has been taken not to commission a specific treatment. Funding will only be approved if there is evidence of clinical exceptional circumstances.
	Individual Prior Approval (IPA)	Yes	The Commissioner has specifically requested that funding is sought for a particular treatment. The treatment must not be undertaken without funding approval from commissioners. Exceptional circumstances do not always have to be demonstrated.
<b>PbR Excluded Lists</b> <a href="#">PbR Excluded Devices List</a> <a href="#">PbR Excluded Drugs List</a>	Monitored Approval (MA) <b>NOTE: Only applies if the patient meets the policy criteria.</b>	No	The specific treatment may be undertaken in line with agreed EUR policy criteria/routine commissioning arrangements provided the policy criteria is met, clinicians can refer patients without seeking approval. If the patient does <u>not</u> meet the policy criteria clinicians should apply for Individual Funding Request (Exceptional Case) Approval. Audits may be undertaken to ensure adherence with agreed commissioning arrangements.

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Aesthetic Surgery (Other)	Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	<a href="#">Aesthetic Surgery (Other)</a>	<a href="#">Aesthetic Surgery (Other)</a>	<a href="#">Aesthetic Surgery (Other)</a>
Arthroscopic shoulder decompression for subacromial shoulder pain - NHS England Evidence Based Intervention		GM EUR policy for Shoulder Impingement (Arthroscopic subacromial decompression for) applies - please see policy below.
