Funding Request Forms	Funding Approval Category	Approval Required	Notes
GM EUR Generic Funding Request Form NOTE: GM policies have specific funding request forms, please see the end column on the blue coloured rows below.	Individual Funding Request (Exceptional Case) Approval (IFR)	Yes	A decision has been taken not to commission a specific treatment. Funding will only be approved if there is evidence of clinical exceptional circumstances.
	Individual Prior Approval (IPA)	Yes	The Commissioner has specifically requested that funding is sought for a particular treatment. The treatment must not be undertaken without funding approval from commissioners. Exceptional circumstances do not always have to be demonstrated.
	Monitored Approval (MA) NOTE: Only applies if the patient meets the policy criteria.	No	The specific treatment may be undertaken in line with agreed EUR policy criteria/routine commissioning arrangements provided the policy criteria is met, clinicians can refer patients without seeking approval. If the patient does <u>not</u> meet the policy criteria clinicians should apply for Individual Funding Request (Exceptional Case) Approval. Audits may be undertaken to ensure adherence with agreed commissioning arrangements.
