

2020-2021 Effective Use of Resources Treatment Policies		GM EUR Team Contacts	Tel	Email
Version	6.6	Funding applications / Process	0161 290 4901	gm.eur@nhs.net
List Last Updated	17 November 2020	Policy development	0161 290 4937	gm.policyfeedback@nhs.net

Funding Request Forms	Funding Approval Category	Approval Required	Notes
GM EUR Generic Funding Request Form	Individual Funding Request (Exceptional Case) Approval (IFR)	Yes	A decision has been taken not to commission a specific treatment. Funding will only be approved if there is evidence of clinical exceptional circumstances.
NOTE: GM policies have specific funding request forms, please see the end column on the blue coloured rows below.	Individual Prior Approval (IPA)	Yes	The Commissioner has specifically requested that funding is sought for a particular treatment. The treatment must not be undertaken without funding approval from commissioners. Exceptional circumstances do not always have to be demonstrated.
PbR Excluded Lists	Monitored Approval (MA)	No	The specific treatment may be undertaken in line with agreed EUR policy criteria/routine commissioning arrangements provided the policy criteria is met, clinicians can refer patients without seeking approval. If the patient does <u>not</u> meet the policy criteria clinicians should apply for Individual Funding Request (Exceptional Case) Approval. Audits may be undertaken to ensure adherence with agreed commissioning arrangements.
PbR Excluded Devices List	NOTE: Only applies if the patient meets the policy criteria.		
PbR Excluded Drugs List			

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Aesthetic Surgery (Other)	Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Aesthetic Surgery (Other)	Aesthetic Surgery (Other)	Aesthetic Surgery (Other)
Arthroscopic shoulder decompression for subacromial shoulder pain - NHS England Evidence Based Intervention		GM EUR policy for Shoulder Impingement (Arthroscopic subacromial decompression for) applies - please see policy below.		
Assisted Conception (Includes IVF and Sperm Washing)	Monitored Approval	T&G CCG Assisted Conception Policy NOTE: If the patient does not meet the criteria for treatment within the policy, please submit an individual funding request for consideration under exceptionality.		
Back Pain (Treatment of low back pain with or without sciatica)	Within contract for NICE NG59 approved procedures <u>and</u> Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval (For the following - please see individual GM policies: Facet Joint Injections; Out of Contract Spinal Procedures)	Back Pain (Treatment for low back pain with or without sciatica)	Back Pain (Treatment for low back pain with or without sciatica)	Back Pain (Treatment for low back pain with or without sciatica)
Bariatric Surgery	Monitored Approval	NOTE: Until a Greater Manchester Bariatric Surgery Policy has been developed and then adopted by the CCG, the CCG will continue to use NHS England's policy criteria for bariatric surgery. • Patient's should be referred to the local weight management pathways in the first instance. • Once they have complied with this they will be offered surgery if the meet the criteria. NHSE complex and specialised obesity surgery policy April 2013 NHSE Revision Obesity Surgery Aug 2014		

Procedure / Treatment NOTE: GM policies are highlighted in blue ■ NHSE EBI are highlighted in yellow ■	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Bobath Therapy	Individual Funding Request (Exceptional Case) Approval	Historically the CCG and its predecessors have funded the Centre costs for children to attend the centre following the request of their Paediatrician, usually responding to a Physio or OT request. The child's family has had to fund travel, accommodation in London for the treatment period – usually for 2 weeks. The outcome of the assessment is a comprehensive assessment and detailed individualised home programme. Copies of this are supplied to parents and all the child's key health workers locally. The reports usually include the recommendation of a follow-up two-week assessment 12 months later.		
Body Contouring Includes: Panniculectomy (Apronectomy)	Monitored Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Body Contouring	Body Contouring	Body Contouring
Breast Surgery (Aesthetic) Includes: Breast Augmentation; Revision of Breast Augmentation; Breast Reduction; Gynaecomastia; Breast Lifts (Mastopexy); Breast Asymmetry; Nipple Inversion; PIP Implants	Individual Funding Request (Exceptional Case) Approval	Breast Surgery (Aesthetic)	Breast Surgery (Aesthetic)	Breast Asymmetry Breast Augmentation Breast Lift (Mastopexy) Breast Reduction Gynaecomastia (Adolescent) Gynaecomastia (Adult) Inverted Nipple Correction Revision of Breast Augmentation
Breast Reduction (includes) gynaecomastia - NHS England Evidence Based Intervention		GM EUR policy for Breast Surgery (Aesthetic) applies - please see above policy.		
Bunion (Hallux Valgus) Surgery	Monitored Approval	Bunion (Hallux Valgus) Surgery	Bunion (Hallux Valgus) Surgery	Bunion (Hallux Valgus) Surgery
Caesarean Section	Monitored Approval	Caesarean Section	Caesarean Section	Caesarean Section
Carpal Tunnel Syndrome (Surgical Interventions for)	Individual Prior Approval	Carpal Tunnel Syndrome (Surgical Interventions for)	Carpal Tunnel Syndrome (Surgical Interventions for)	Carpal Tunnel Syndrome (Surgical Interventions for)
Carpal Tunnel Syndrome - NHS England Evidence Based Intervention		GM EUR policy for Carpal Tunnel Syndrome (surgical intervention for) applies - please see above policy.		
Cataract Surgery	Monitored Approval	Cataract Surgery	Cataract Surgery	Cataract Surgery
Chalazia removal - NHS England Evidence Based Intervention		GM EUR policy for Eyelid Lesions (Removal of Common Benign) applies - please see policy below		
Chronic Fatigue / Multiple Sclerosis Service	Monitored Approval	Referrals to Manchester CCG's service are usually funded.		
Circumcision (Surgical procedures on the prepuce)	Monitored Approval	Circumcision (Surgical procedures on the prepuce)	Circumcision (Surgical procedures on the prepuce)	Circumcision (Surgical procedures on the prepuce)
Communication Aids (Non-Specialist Augmentative and Alternative (AAC))	Individual Prior Approval Individual Funding Request (Exceptional Case) Approval	Communication Aids	Communication Aids	Communication Aids
Complementary and Alternative Therapies	Individual Funding Request (Exceptional Case) Approval	Complementary and Alternative Therapies	Complementary and Alternative Therapies	Complementary and Alternative Therapies
Continuous Glucose Monitoring (Real-Time)	Monitored Approval <u>and</u> Individual Prior Approval <u>and</u> Individual Funding	Continuous Glucose Monitoring (Real-Time)	Continuous Glucose Monitoring (Real-Time)	Continuous Glucose Monitoring (Adult)

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
	Request (Exceptional Case) Approval			Continuous Glucose Monitoring (Child)
Cough Assist (Mechanical Insufflation and Exsufflation (MI-E))	Monitored Approval and Individual Funding Request (Exceptional Case) Approval	Cough Assist	Cough Assist	Cough Assist
Dermatochalasis (Correction of)	Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	Dermatochalasis (Correction of)	Dermatochalasis (Correction of)	Dermatochalasis (Correction of)
Dilatation and Curettage (D&C) and Hysterectomy for Heavy Menstrual Bleeding (HMB)	Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	D&C and Hysterectomy for heavy menstrual bleeding	D&C and Hysterectomy for heavy menstrual bleeding	D&C and Hysterectomy for heavy menstrual bleeding
Dilatation and Curettage (D&C) for Heavy Menstrual Bleeding (HMB) - NHS England Evidence Based Intervention	Individual Funding Request (Exceptional Case) Approval	GM EUR Policy for Dilatation and Curettage (D&C) and Hysterectomy for Heavy Menstrual Bleeding (HMB) applies - please see above		
Donor breastmilk	Individual Funding Request (Exceptional Case) Approval	Considered on exceptional case basis. Requires support from Donor Milk Bank, and preferably a dietitian.		
Drainage of the middle ear, Surgical (with or without the insertion of grommets)	Monitored Approval and Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	Drainage of the middle ear, Surgical (with or without the insertion of grommets)	Drainage of the middle ear, Surgical (with or without the insertion of grommets)	Drainage of the middle ear, Surgical (with or without the insertion of grommets)
Dupuytren's Contracture	Monitored Approval	Dupuytren's Contracture	Dupuytren's Contracture	Dupuytren's Contracture
Dupuytren's contracture release with in adults - NHS England Evidence Based Intervention		GM EUR policy for Dupuytren's Contracture applies - please see above policy.		
Electrolysis and Laser Hair Removal for Hirsutism	Individual Prior Approval	NOTE: Hair removal for patients going through gender realignment is commissioned by NHS England. Electrolysis and Laser Hair Removal For Hirsutism	Electrolysis and Laser Hair Removal For Hirsutism	Electrolysis and Laser Hair Removal for Hirsutism
Endoscopic Thoracic Sympathectomy (ETS) for Facial Blushing	Individual Funding Request (Exceptional Case) Approval	Endoscopic Thoracic Sympathectomy (ETS) for Facial Blushing	Endoscopic Thoracic Sympathectomy (ETS) for Facial Blushing	Endoscopic Thoracic Sympathectomy (ETS) for facial blushing
Extracorporeal Shockwave Therapy for Musculoskeletal and Soft Tissue Indications (ESWT)	Individual Funding Request (Exceptional Case) Approval	Is not commissioned. Please use the Experimental and Unproven Treatments policy	Experimental and Unproven Treatments	Experimental and Unproven Treatments
Experimental and Unproven Treatments	Individual Funding Request (Exceptional Case) Approval	Experimental and Unproven Treatments	Experimental and Unproven Treatments	Experimental and Unproven Treatments

Procedure / Treatment NOTE: GM policies are highlighted in blue ■ NHSE EBI are highlighted in yellow ■	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Eyelid Lesions (Removal of Common Benign)	Monitored Approval <u>and</u> Individual Prior Approval	Eyelid Lesions (Removal of Common Benign)	Eyelid Lesions (Removal of Common Benign)	Eyelid Lesions (Removal of Common Benign)
Facet Joint Injections	Monitored Approval <u>and</u> Individual Prior Approval	Facet Joint Injections	Facet Joint Injections	Facet Joint Injections
Functional Electronic Stimulation (FES) for Foot Drop	Individual Prior Approval	Functional Electronic Stimulation (FES) for Foot Drop	Functional Electronic Stimulation (FES) for Foot Drop	Functional Electrical Stimulation (FES) for Foot Drop
Gallstones (Asymptomatic)	Monitored Approval	Gallstones (Asymptomatic)	Gallstones (Asymptomatic)	Gallstones (Asymptomatic)
Ganglion Cyst Removal	Monitored Approval	Ganglion Cyst Removal	Ganglion Cyst Removal	Ganglion Cyst Removal
Ganglion excision - NHS England Evidence Based Intervention		GM EUR policy for Ganglion Cyst Removal applies - please see above policy.		
Gender realignment (procedures outside of commissioned service)	Individual Funding Request (Exceptional Case) Approval	NOTE: Gender Realignment is commissioned by NHS England. However, the following procedures fall outside of the nationally commissioned arrangements and require consideration by the patient's CCG: <ul style="list-style-type: none"> • Breast Augmentation • Facial Feminisation Surgery (Thyroid Chondroplasty/tracheal shave, Rhinoplasty, Facial Bone Reduction, Blepharoplasty/Facelift) • Lipoplasty/Contouring (liposuction and/or body sculpture) 		
Grommets for glue ear in Children - NHS England Evidence Based Intervention		GM EUR policy for Drainage of the middle ear, surgical (with or without the insertion of grommets) applies - please see above policy.		
Haemorrhoids and anal skin tags (Surgical management (including banding) of)	Monitored Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Haemorrhoids and anal skin tags (Surgical management (including banding) of)	Haemorrhoids and anal skin tags (Surgical management (including banding) of)	Haemorrhoids and Anal Skin Tags
Haemorrhoid Surgery - NHS England Evidence Based Intervention		GM EUR policy for Haemorrhoids and anal skin tags (Surgical management (including banding) of) applies - please see above policy.		
Hair Replacement Technologies	Individual Funding Request (Exceptional Case) Approval	Hair Replacement Technologies	Hair Replacement Technologies	Hair Replacement Technologies
Headache Disorders	Monitored Approval <u>and</u> Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Headache Disorders	Headache Disorders	Headache Disorders

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow 	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Hernia (Surgical Repair of Hernias)	Monitored Approval <u>and</u> Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Hernia Repair	Hernia Repair	Hernia Repair
Hip Replacement	Monitored Approval <u>and</u> Individual Prior Approval	Hip Replacement	Hip Replacement	Hip Replacement
Hyaluronic Acid Injections for Osteoarthritis	Individual Funding Request (Exceptional Case) Approval	Hyaluronic Acid Injections for Osteoarthritis	Hyaluronic Acid Injections for Osteoarthritis	Hyaluronic Acid Injections for Osteoarthritis
Hyperhidrosis	Monitored Approval	Hyperhidrosis	Hyperhidrosis	Hyperhidrosis
Hysterectomy for Heavy Menstrual Bleeding - NHS England Evidence Based Intervention		GM EUR Policy for Dilatation and Curettage (D&C) and Hysterectomy for Heavy Menstrual Bleeding (HMB) applies - please see above		
Injections for non-specific low back pain - NHS England Evidence Based Intervention		GM EUR policies for Back Pain (Treatment for low back pain with or without sciatica) & Facet Joint Injections apply - please see above policies.		
Knee Arthroscopy	Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Knee Arthroscopy	Knee Arthroscopy	Knee Arthroscopy
Knee Arthroscopy for patients with osteoarthritis - NHS England Evidence Based Intervention		GM EUR policy for Knee Arthroscopy applies - please see above policy.		
Knee Replacement	Monitored Approval <u>and</u> Individual Prior Approval	Knee Replacement	Knee Replacement	Knee Replacement
Labioplasty	Individual Funding Request (Exceptional Case) Approval	Labioplasty	Labioplasty	Labioplasty
Laser Eye Surgery (Photorefractive surgery for the correction of refractive errors)	Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Laser Eye Surgery	Laser Eye Surgery	Laser Eye Surgery

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Lycra Body Suits	Individual Funding Request (Exceptional Case) Approval	Lycra Body Suits	Lycra Body Suits	Lycra Body Suits
MRI scanning (Wide bore, open and open upright)	Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	MRI scanning (Wide bore, open and open upright)	MRI scanning (Wide bore, open and open upright)	MRI scanning (Wide bore, open and open upright)
Orthoses, bespoke orthoses & 24-hour posture management	Monitored Approval and Individual Prior Approval	Orthoses, bespoke orthoses & 24-hour posture management	Orthoses, bespoke orthoses & 24-hour posture management	Orthoses, bespoke orthoses & 24-hour posture management
Para-urethral silicon injections for incontinence	Monitored Approval	Funded in line with relevant NICE guidance, IPG 138, Nov 05.		
Pelvic Vein Embolisation in the management of varicose veins	Individual Funding Request (Exceptional Case) Approval	Pelvic Vein Embolisation in the management of varicose veins	Pelvic Vein Embolisation in the management of varicose veins	Pelvic Vein Embolisation in the management of varicose veins
Pinnaplasty	Monitored Approval	Pinnaplasty	Pinnaplasty	Pinnaplasty
Removal of benign skin lesions - NHS England Evidence Based Intervention		GM EUR policy for Skin Lesions (Common Benign) applies - please see policy below.		
Requests for therapies not available from THFT (physiotherapy)	Individual Prior Approval	Requests for therapy at CMFT are usually funded.		
Rhinoplasty / Septoplasty / Septorhinoplasty	Monitored Approval and Individual Prior Approval	Rhinoplasty / Septoplasty / Septo-Rhinoplasty	Rhinoplasty / Septoplasty / Septo-Rhinoplasty	Rhinoplasty / Septoplasty / Septo-Rhinoplasty
Rhinosinusitis / Rhinitis / Sinusitis	Monitored Approval	Rhinosinusitis / Rhinitis / Sinusitis	Rhinosinusitis / Rhinitis / Sinusitis	Rhinosinusitis / Rhinitis / Sinusitis
Sacroneuromodulation for Urinary Retention and Constipation	Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	Sacroneuromodulation for Urinary Retention and Constipation	Sacroneuromodulation for Urinary Retention and Constipation	Sacroneuromodulation for Urinary Retention and Constipation
Scarring (Surgical revision of)	Individual Funding Request (Exceptional Case) Approval	Scarring (Surgical revision of)	Scarring (Surgical revision of)	Scarring (Surgical revision of)

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Selective Dorsal Rhizotomy post-operative community physiotherapy for children	Individual Funding Request (Exceptional Case) Approval	NOTE: Selective Dorsal Rhizotomy (SDR) is commissioned by NHS England, but the selection criteria includes CCG confirmation that they are willing to provide the post-operative community physiotherapy. Stockport FT, who provide the community physio for T&G have advised that they do have the necessary skills to undertake the level of physiotherapy needed, but there is no capacity for them to actually do so. Requests for any T&G children requiring physio confirmation before proceeding with an NHS England funded SDR will require funding approval via the CCG IFR Panel process.		
Servox Communication Aids following Laryngectomy	Monitored Approval			
Shoulder Impingement (arthroscopic subacromial decompression for)	Individual Prior Approval	Shoulder Impingement	Shoulder Impingement	Shoulder Impingement
Skin Lesions (Common Benign)	Monitored Approval	Skin Lesions (Common Benign)	Skin Lesions (Common Benign)	Skin Lesions (Common Benign)
Skin Resurfacing Techniques	Individual Funding Request (Exceptional Case) Approval	Skin Resurfacing Techniques	Skin Resurfacing Techniques	Skin Resurfacing Techniques
Snoring (Invasive treatments for)	Individual Funding Request (Exceptional Case) Approval	Snoring (Invasive treatments for)	Snoring (Invasive treatments for)	Snoring (Invasive treatments for)
Snoring surgery (in the absence of sleep apnoea) - NHS England Evidence Based Intervention		GM EUR policy for Invasive Snoring (invasive treatments for) applies - please see above policy.		
Spinal procedures (Out of contract)	Individual Prior Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Spinal procedures (Out of contract)	Spinal procedures (Out of contract)	Spinal procedures (Out of contract)
Split / Torn Ear Lobes (Repair of)	Monitored Approval	Split / Torn Ear Lobes (Repair of)	Split / Torn Ear Lobes (Repair of)	Split / Torn Ear Lobes (Repair of)
Squint Surgery (Surgical Correction of adult Strabismus)	Monitored Approval and Individual Prior Approval and Individual Funding Request (Exceptional Case) Approval	Strabismus (squint surgery)	Strabismus (squint surgery)	Strabismus (squint surgery)
Tattoo Removal	Individual Prior Approval	Tattoo Removal	Tattoo Removal	Tattoo Removal
Tonsillectomy	Monitored Approval	Tonsillectomy	Tonsillectomy	Tonsillectomy
Tongue Tie (Surgical management of ankyloglossia)	Monitored Approval <u>and</u> Individual Funding Request (Exceptional Case) Approval	Tongue Tie	Tongue Tie	Tongue Tie
Tonsillectomy for recurrent tonsillitis - NHS England Evidence Based Intervention		GM EUR policy for Tonsillectomy applies - please see above policy.		
Trigger Finger (Surgical Correction of)	Individual Prior Approval	Trigger Finger (Surgical Correction of)	Trigger Finger (Surgical Correction of)	Trigger Finger (Surgical Correction of)

Procedure / Treatment NOTE: GM policies are highlighted in blue NHSE EBI are highlighted in yellow 	Funding Approval Category	Commissioning Policy	Summary of Policy (GM Policies only)	Funding Request Form (GM Policies only)
Trigger Finger release in adults - NHS England Evidence Based Intervention		GM EUR policy for Trigger Finger (surgical correction of) applies - please see above policy.		
Trophic Electrical Stimulation (TES) for Facial Palsy	Individual Prior Approval	Trophic Electrical Stimulation (TES) for Facial Palsy	Trophic Electrical Stimulation (TES) for Facial Palsy	Trophic Electrical Stimulation (TES) for Facial Palsy
Ultrasound and Pulsed Electromagnetic Systems (PES) for bone healing	Monitored Approval and Individual Prior Approval	Ultrasound and Pulsed Electromagnetic Systems (PES) for bone healing	Ultrasound and Pulsed Electromagnetic Systems (PES) for bone healing	Ultrasound and Pulsed Electromagnetic Systems (PES) for bone healing
Varicose Veins	Monitored Approval and Individual Prior Approval	Varicose Veins	Varicose Veins	Varicose Veins
Varicose Veins interventions - NHS England Evidence Based Intervention		GM EUR policy for Varicose Veins applies - please see above policy.		

Version	Date	Details
v1.0	14/02/2014	Approved version
v1.1	21/02/2014	Subfertility Policy: Section 3.6 amended to read "First treatment cycles must be commenced before the woman's 43rd birthday".
v1.2	26/02/2014	Commissioning statement amended from "Requests from UHSMFT and SRUHFT are usually funded." to "Requests may be approved in line with NICE guidance providing it is from an NHS Specialist Centre."
v1.3	18/06/2014	<ul style="list-style-type: none"> • Breast Augmentation and Reduction policy superceded by GM EUR Policy for Aesthetic Breast Surgery • Removal of line for Mastopexy, as now superceded by GM EUR Policy for Aesthetic Breast Surgery • Tonsillectomy - Policy superceded by GM EUR Policy • Line added for Lycra Body Suits - new GM EUR Policy • Line added for Hyaluronic Acid Injections - new GM EUR Policy
v1.4	24/10/2014	<ul style="list-style-type: none"> • Line added for Cataract Surgery - new GM EUR Policy • Line added for Pelvic Vein Embolisation - new GM EUR Policy
v1.5	12/02/2015	<ul style="list-style-type: none"> • Reformatted to simplify and clarify: <ul style="list-style-type: none"> ◦ Date on top of policy changed to date of version change. ◦ NHS England commissioned treatments taken out. ◦ Alphabeticized and numbers removed ◦ Comments and Review date columns deleted. • GM EUR Policy for Hyperhidrosis added • GM EUR Policy for Labiaplasty added • Excision of benign skin lesions policy superceded by GM EUR Policy for Common Benign Skin Lesions • Lumbar Spine Procedures for Non-specific Back Pain policy superceded by GM EUR Policy for Varicose Veins
v2.0	09/03/2015	<p>Schedule Refresh amendments:</p> <ul style="list-style-type: none"> • Servox Communication Aids policy added • Sperm Washing/IVF for patients with HIV, Hepatitis B and Hepatitis C policy added • Reference to: "All Dermatology Services are commissioned by NHS England at Salford Royal FT" removed • Hypnotherapy for Irritable Bowel Syndrome (IBS) policy amended to be approved at Clinical Triage • The two Alternative / Complementary Therapies merged into one policy • Radiofrequency Denervation to Facet Joints policy added (following Stockport CCG's criteria) • Open MRI Scan policy added • Physio Equipment advice added • Selective Dorsal Rhizotomy post-operative community physiotherapy for children policy added
v2.1	01/05/2015	<ul style="list-style-type: none"> • Pinnaplasty and Otoplasty policy superceded by GM EUR Policy for Pinnaplasty • Line added for Sacroneuromodulation for Urinary Retention and Constipation - new GM EUR Policy • Varicose Veins policy superceded by GM EUR Policy for Varicose Veins
v2.2	06/05/2015	Apronectomy / Abdominoplasty (Tummy Tuck), Abdominal Lipectomy, Liposuction and Body Contour surgery policies superceded by GM EUR Policy for Body Contouring
v2.3	01/06/2015	<ul style="list-style-type: none"> • Blepharoplasty (Cosmetic) policy superceded by GM EUR Policy for Correction of Eyelid Ptosis • GM EUR Policy for Bunion Surgery added • Dupuytren's Contracture policy superceded by GM EUR Policy for Dupuytren's Contracture • GM EUR Policy for Ganglion Cyst Removal added
v2.4	22/07/2015	<ul style="list-style-type: none"> • GM EUR Aesthetic Breast Surgery policy superseded by reviewed version 2.0, now incorporating Nipple Inversion and DoH advice on PIP Implants. Nipple Inversion Surgery policy removed as now superseded by this version. • GM EUR Hyaluronic Acid Injections policy superseded by reviewed version 2.0 • GM EUR Lycra Body Suits policy superseded by reviewed version 2.0 • GM EUR Tonsillectomy policy superseded by reviewed version 2.0

v2.5	10/08/2015	<ul style="list-style-type: none"> • Hair Removal policy superceded by GM policy for Hair Electrolysis & Laser Hair Removal for Hirsutism • Hair Transplant policy superceded by GM policy for Hair Replacement Technologies for Alopecia • Rhinoplasty / Nose Restructuring (Cosmetic) policy superceded by GM policy for Rhinoplasty/Septoplasty/Septorhinoplasty • Laser treatment or surgery for the revision of scars policy superceded by GM policy for Surgical Revision of Scarring • Sleep Apnoea or Snoring - Surgical Treatment policy superceded by GM policy for Invasive Treatments for Snoring • Tattoo removal policy superceded by GM policy for Tattoo Removal
v2.6	18/11/2015	<ul style="list-style-type: none"> • Alternative/Complementary Therapies policy replaced by GM EUR Complementary and Alternative Therapies Policy. • Added GM EUR Common Benign Skin Lesion of the Eyelid Policy. • Added GM EUR Endoscopic Thoracic Sympathectomy (ETS) for facial Blushing. • Hypnotherapy for Irritable Bowel Syndrome (IBS) replaced by GM EUR Complementary and Alternative Therapies Policy. • Laser Treatment for birth marks replaced by GM EUR Skin Resurfacing Techniques Policy. • Non acute repair of split ear lobes replaced by GM EUR Repair of Split/Torn Earlobes Policy.
v2.7	16/12/2015	<ul style="list-style-type: none"> • GM Policy for Cataract Surgery superseded by reviewed version V2.0 • GM Policy for Common Benign Skin Lesions superseded by reviewed version V2.0 • GM Policy for Dupuytren's Contracture superseded by reviewed version V2.0 • GM Policy for Hyperhidrosis superseded by reviewed version V2.0 • GM Policy for Labiaplasty superseded by reviewed version V2.0 • GM Policy for Pelvic Vein Embolisation superseded by reviewed version V2.0 • GM Policy for non-specific low back pain superseded by reviewed version V2.0 • GM Aesthetic Breast Policy minor changes made to add clarity within the policy • GM Policy for Electrolysis & Laser Hair Removal note added for clarification regarding the number of electrolysis sessions funded. • GM Policy for Lycra Body Suits – Appendix added to show the difference between a lycra body suit and dynamic lycra orthotics.
v3.0	07/03/2016	<p>16/17 Schedule Refresh:</p> <ul style="list-style-type: none"> • GM Aesthetic Breast policy superseded by v2.2 - minor changes made to add clarity within the policy • GM Cataract Surgery policy superseded by v2.1 - minor changes made to add clarity within the policy • GM Labiaplasty policy superseded by v2.1 - minor changes made to add clarity within the policy • GM Correction of Eyelid Ptosis policy superseded by reviewed version v2.0 • GM Body Contouring policy superseded by reviewed version v2.0 • GM Pinnaplasty policy superseded by reviewed version v2.1 • GM Sacroneuromodulation for Urinary Retention and Constipation policy superseded by reviewed version v2.0 • GM Ganglion Removal policy superseded by reviewed version v2.0 • GM Bunion Removal policy superseded by reviewed version v2.0
v3.1	05/07/2016	<ul style="list-style-type: none"> • Functional Electrical Stimulator (FES) implants superceded by GM policy for Functional Electronic Stimulation (FES) for Foot Drop • GM policy for Trophic Electrical Stimulation (TES) for Facial Palsy added
v3.2	03/08/2016	<ul style="list-style-type: none"> • GM policy for Facet Joint Injections for Neck and Back Pain added • Radiofrequency denervation of facet joints replaced by GM policy for Radiofrequency Denervation for Neck and Back Pain • GM policy for Ultrasound and Pulsed Electromagnetic Systems (PES) for Bone Healing added
v3.3	12/08/2016	<ul style="list-style-type: none"> • GM Electrolysis & Laser Hair Removal for Hirsutism; GM Hair Replacement Technologies for Alopecia; GM Tattoo Removal; GM Rhinoplasty / Septoplasty / Septo-Rhinoplasty; GM Invasive Treatments for Snoring; GM Surgical Revision of Scarring policies all superseded with v2.0 after annual review (with changes made to only Electrolysis & Laser Hair Removal for Hirsutism and Rhinoplasty / Septoplasty / Septo-Rhinoplasty). • GM Body Contouring policy superseded with v2.2 after amendment for clarity.

v3.4	30/09/2016	<ul style="list-style-type: none"> • Bariatric Surgery Policy added (CCG's using NHS England's policy during 16/17) • Note added to Sub-Fertility Policy Commissioning Statement to submit an IFR if patient does not meet policy.
v3.5	04/10/2016	<ul style="list-style-type: none"> • 'Circumcision' policy superseded by GM EUR Policy for Operations of the Prepuce (Circumcision). • GM EUR Policy for Experimental & Unproven Treatments added.
v4.0	13/12/2016	<p>17/19 Schedule Refresh:</p> <ul style="list-style-type: none"> • Treatment list reformatted and contacts, info and links to summary docs and proformas added • Eating disorders (outpatient care) line removed • Psychosexual services line removed • Physio Equipment line removed
v4.1	13/03/2017	<ul style="list-style-type: none"> • Diagnostic Knee Arthroscopy policy superseded by GM EUR policy for Knee arthroscopy, lavage and debridement • Otitis Media with Effusion (OME) policy superseded by GM EUR policy for Surgical drainage of the middle ear (with or without the insertion of grommets) • Endoscopic Lumbar Decompression and The Spinal Foundation policies superseded by GM EUR policy for Out of contract spinal procedures • GM EUR policy for Headache Disorders added • Some policies re-ordered for clarity
v4.2	26/06/2017	<ul style="list-style-type: none"> • GM Aesthetic Breast policy reviewed with changes to criteria • GM Tonsillectomy policy reviewed with changes to criteria • GM Functional Electronic Stimulation (FES) for Foot Drop policy reviewed with no changes to criteria • GM Trophic Electrical Stimulation (TES) for Facial Palsy policy reviewed with no changes to criteria • GM Hyaluronic Acid Injections for Osteoarthritis policy reviewed with no changes to criteria • GM Lycra Body Suits policy reviewed with no changes to criteria
v4.3	13/09/2017	<ul style="list-style-type: none"> • GM Aesthetic Breast Policy updated (slight amendment to a bullet point in criteria) • GM Facet Joint Injections for neck and back pain policy reviewed - Changes to criteria • GM Radiofrequency Denervation for back pain policy reviewed - Changes to criteria • GM Ultrasound and Pulsed Electromagnetic Systems (PES) for bone healing policy reviewed - No changes to criteria • GM Cataract Surgery policy reviewed - No changes to criteria • GM Experimental and Unproven Treatments policy reviewed - No changes to criteria • GM Operations on the Prepuce (Circumcision) policy reviewed - No changes to criteria
v4.4	29/09/2017	<ul style="list-style-type: none"> • GM Aesthetic Breast Policy updated (slight amendment to a bullet point in criteria)
v4.5	05/10/2017	<ul style="list-style-type: none"> • Carpal tunnel syndrome policy replaced by GM Surgical Interventions for Carpal Tunnel Syndrome policy • Trigger Finger surgery policy replaced by GM Surgical Correction of Trigger Finger policy • Aesthetic Surgery, Face lift / Ageing Face, Penile Prosthesis and Pigeon Chest policies replaced by GM Other Aesthetic Policy
v4.6	01/12/2017	<ul style="list-style-type: none"> • Reversal of Female Sterilisation, Sub-Fertility / Assisted Conception including IVF (In-vitro fertilisation) and Sperm Washing / IVF for people with HIV, Hepatitis B and Hepatitis C superseded by new Assisted Conception Policy based on GM template.
v5.0	28/12/2017	<p><u>17/19 Schedule Refresh</u></p> <p>Policies reviewed at GM EUR Steering Group on 15/11/2017:</p> <ul style="list-style-type: none"> • GM Labiaplasty policy - No changes to criteria • GM Dupuytren's policy - Changes to criteria (Moderate, Collagenase and Recurrent Disease sections) • GM Common Benign Skin Lesions - No changes to criteria • GM Cataract Surgery policy - No changes to criteria
v5.1	22/01/2018	<ul style="list-style-type: none"> • GM GM policy for Eyelid Ptosis superseded by GM policy for Dermatochalasis (Correction of) added • GM policy for Caesarean Section added • Open MRI Scan policy superseded by GM policy for MRI scanning (Wide bore, open and open upright)

v5.2	28/03/2018	<ul style="list-style-type: none"> • GM Aesthetic Breast Surgery policy amended – Changes to criteria • GM Varicose veins policy amended – Changes to criteria • Hyperhidrosis policy reviewed – Changes to criteria • Bunion (Hallux Valgus) Surgery policy reviewed – Changes to criteria • Pinnaplasty policy reviewed – No changes to criteria • Sacroneuromodulation for Urinary Retention and Constipation policy reviewed – Changes to criteria
