Other links	Funding Approval Category	Approval Required	Notes
<a href="#">GM EUR Generic Funding Request Form</a>	<b>Individual Funding Request (Exceptional Case) Approval</b>	Yes	A decision has been taken not to commission a specific treatment. Funding will only be approved if there is evidence of clinical exceptional circumstances.
	<b>Individual Prior Approval</b>	Yes	The Commissioner has specifically requested that funding is sought for a particular treatment. The treatment must not be undertaken without funding approval from commissioners. Exceptional circumstances do not always have to be demonstrated.
<a href="#">PbR Excluded Drugs List</a>	<b>Monitored Approval</b>	No	The specific treatment may be undertaken in line with agreed EUR policy criteria/routine commissioning arrangements provided the policy criteria is met, clinicians can refer patients without seeking approval. If the patient does <u>not</u> meet the policy criteria clinicians should apply for Individual Funding Request (Exceptional Case) Approval. Audits may be undertaken to ensure adherence with agreed commissioning arrangements.
